

Governor Profile

Silvia Galvao Wall

Parent Governor, William Morris Primary School

I have been a Parent Governor at William Morris Primary School since 2022, driven by a vested interest in the success and well-being of our school community.

My professional background in quality, compliance, and auditing equips me with a keen eye for detail and a natural inquisitiveness about how our school operates. This expertise allows me to contribute effectively to ensuring our school maintains high standards in all areas.

Having attended schools outside of England, I bring a unique perspective and understanding of different educational systems. This diverse experience enriches my approach to governance, enabling me to offer fresh insights and innovative ideas.

I firmly believe that primary schools play a crucial role in laying the foundation for children's future success, both academically and socially. By fostering a supportive and stimulating environment, we can help our students develop the skills and confidence they need to thrive in their educational journey and beyond.

I live in Oakhurst with my husband and our twins who both attend William Morris. In my free time I like to visit historic sites across Europe and to spend time with my family.
