

# Guidance for pupils to support returning to school: COVID-19

*To help keep you safe, please read this with your parents before coming to school in September.*

*School will provide a yummy lunch for all children.*

*Lunch will be eaten in the hall in bubble class groups.*

*Bring your own, filled and labelled water bottle each day.*

*Your own pencils and resources will be given to you in a plastic pack with your name on, and they are not to be shared with anyone else.*

*Bring in labelled coats and shoes that you can easily do up yourselves. Grown-ups in school may not be able to help you.*

*Learning areas will be spread out, with set numbers of children at each activity*

*We will try and give you time outside as much as possible, to play and to learn.*

*We are not allowed to hug our friends, but we can gently bump elbows!*

*You must ask your grown-up before going anywhere around school.*

*You will be taught by your classteacher and Teaching Assistant.*

*Ensure you carefully wash your hands, for 20 seconds, following the signs. You must wash your hands whenever you are asked to do so.*

*If we cough or sneeze we need to do it into our sleeves.*

*Teachers may have their own space to stand or sit in, which you are to stay out of. This is to help keep them safe.*

*We will have toilets just for your class bubble to use.*

*Your grown up will teach you the rules when you come to school. We will remind you each day.*

*There are rules about handwashing, which we need to do lots of times during the day.*

*There is a special sanitiser, tissue and bin area in your classroom.*

*If you need to see a grown-up in school on your own, or if you are hurt, they may sometimes wear a mask and have gloves on. This is ok and it is to keep you both safe.*

*You will have a special bit of playground just for the children in your class bubble.*
