Newsletter

Dear Parents and Carers,

I hope you all had a lovely half term break and enjoyed the sunshine. We are writing this newsletter to share some exciting news about new members of staff who will be joining us in September.

Staff news

Mr Price will be joining us as Deputy Head. He has recently been working as Assistant Head for 6 years and teaching in Swindon schools for over 13 years in KS1 and KS2.

“I was really impressed by the inviting atmosphere you have created, and the warm and welcoming team at the school. I loved the stimulating learning environments and feel it would be hugely rewarding to contribute to the expansion and development of William Morris. I am very excited about developing the Life Skills curriculum and growth into Key Stage 2.

I am passionate about teaching PE as part of the curriculum and developing extra curricular activities and the benefits it brings to children’s health, life experience and academic performance. I am so thrilled to be joining the team at William Morris in September.”

Mrs Lambert will also be joining us as a class teacher. She has a substantial knowledge of both the KS1 and KS2 curriculum with 10 years experience in a primary school setting.

“I was particularly drawn to the school’s creative curriculum, where children get hands on experiences, exploring and enjoying the fantastic grounds you have around the school building.

As a primary teacher, I believe in making learning memorable and engaging and enjoy making a difference to children’s lives. I look forward to joining William Morris in September.”

Mr Knight - has been working as a Trust Leader of Education this academic year. Next year he will increase this role supporting other schools across the Trust. We are very proud that he has been given this opportunity and that one of our fab teachers is sharing his knowledge with other schools. Mr Knight will continue to be Assistant Head and class teacher at William Morris for 3 days a week.

We look forward to seeing you all on Sunday at our Summer Festival—please see information below.

To promote road safety and healthy habits we will be hosting a walk to school day on Wednesday 14th June. We will meet families at Sainsburys at 8:25am and walk to school altogether. If you are able to walk on that day please join us it would be wonderful to see as many families as possible.

Please note that parents and carers are expected to walk with their children along with their teachers and other families.

Many Thanks
